Ehrlo Sport Venture teams up with Bennett Dunlop Ford and the Regina Pats to host an equipment drive

Regina, SK –

Ehrlo Sport Venture is pleased to partner with Bennet Dunlop Ford and the Regina Pats hockey club to collect gently used sports equipment for Ehrlo Sport Venture Library. The library lends out equipment on an individual and group basis, free of charge.

Bennett Dunlop Ford and the Regina Pats are teaming up to collect used sports equipment prior to the Blue Jay's Night Pats game on January 6th. The first 500 people that drop off sports gear will receive a coupon to have their car professionally cleaned at Bennett Dunlop Ford. The equipment will go to inner-city youth and families who rely on Sport Venture for recreational opportunities.

At Ehrlo Sport Venture, we believe that everyone should have the right to play. So our mission is a simple one – we work to provide inner-city youth and families with control of, and access to, a variety of recreational programs.

We are looking for donations of equipment that is clean and in good useable condition, including hockey, basketball, football, soccer, baseball, and other sporting equipment. We offer free drop-in sports leagues and operate the Sport Venture Library.

Collections will take place near the box office at the Brandt Centre between 6 and 7 p.m. Bennett Dunlop, Pats, Kidsport and Sport Venture staff and volunteers will be on hand to collect and sort the equipment that is provided. Bennett Dunlop will provide trucks to transport the collected equipment to Sport Venture.

Location: Brandt Centre – Regina Pats "Blue Jays" game vs. the Calgary Hitmen

When: January 6, 2017 6 - 7 p.m.
