# Celebrating 50 years

Ranch Ehrlo Society is a non-profit charitable organization founded in 1966 by Dr. Geoffrey Pawson. The organization began as a single residential unit for six troubled boys and has grown to become a multi-service agency providing residential, clinical, community, and educational programs across the province of Saskatchewan.

We work directly with some of the most vulnerable children, youth, and families in Saskatchewan and beyond. The clients that we serve travel difficult paths, often marked by family violence, addictions, physical/sexual abuse, and poverty.

We are celebrating 50 years of helping these at-risk youth and families. We are celebrating clients like Raylene who overcame addiction and homelessness after the death of her child; the reunification of a father and his sons previously in care; and the resilience of Emilio who found stability after living in 21 foster homes before the age of six.

## CELEBRATION FUNDRAISER

Join us on September 29, 2016, at the Queensbury Centre in Regina to celebrate our past and welcome the future with our keynote speaker, renowned author, Jeanette Walls.

The celebration will support the work of our community services, including Ehrlo Sport Venture. Our community services are intended to make places of living, working, and playing better places to be. The services are available to the community free of charge or at the lowest fee possible.

## SUPPORT RANCH EHRLO

There are several ways that you can celebrate with us and support the work of the community services:

- Become a sponsor as outlined in this sponsorship package.
- Purchase event tickets (individually or by the table). Each table holds a maximum of eight people.

The event will be limited and we suggest you don't delay your ticket purchase as they will sell out quickly.

## About Jeanette Walls

Critics have called Jeannette Walls' memoir *The Glass Castle*, "spectacular," "extraordinary," "incredible," and "riveting." It has been a New York

Times best-seller for more than six years.

As our guest speaker, she will discuss her compelling memoir and share anecdotes from her childhood and from throughout her life. Her message of confronting your past and facing your fears resonates with audiences everywhere. Walls explains that we all have more in common than we think and our flaws are our greatest assets. Her story of triumph makes audiences walk away with a positive attitude towards the "demons" in their lives.

In 2012, Lionsgate purchased the rights to *The Glass Castle* and will be releasing the movie starring Jennifer Lawrence from *The Hunger Games*.
